WINE LIST
2024

Welcome to CAFÉ DU VIN Bistro and Wine Bar!

Our wine list is a realization of a fifteen-year-old vision to create a wine collection of the highest possible standards and quality. Our 12,000 bottles, housed in our professionally maintained cellars, represents the very best from the world-renowned estates and vineyards of the Western Cape.

The +/- 800 selection wine list includes a selection of 60+ wines from the Franschhoek Wine Valley, all served by the glass, carafe and bottle. Card operated wine dispensers and the Coravin wine preservation system allow us to offer premium wines by the glass without compromising on quality, preventing oxidation while preserving aroma, color and flavor. The Vintage Wine list offers a broad vintage selection of top South African producers - including some sought-after vintage wines, together with a selection of big bottles and wines from top international producers.

For the third year in a row CAFÉ DU VIN has received the *Wine Spectator Best of Award of Excellence* for our wine list. The Wine Spectator's wine list awards program is the world's leading wine awards program, honoring the world's best restaurant wine lists since 1981.

We wish you many memorable wine moments at CAFÉ DU VIN!

Happy Imbibing!
