WINE LIST
2025

Welcome to CAFÉ DU VIN Bistro and Wine Bar!

Our wine list is a realization of a twenty-year-old vision to create a wine list of the highest possible standards and quality. Our 18,000 bottles, housed in professionally maintained cellars, represent the very best from world-renowned estates and the South African vineyards.

The +/- 800 selection wine list includes a selection of 70+ wines from the Cape Winelands, all served by the glass, carafe and bottle. The Coravin wine preservation system allows us to offer premium wines by the glass without compromising on quality, preventing oxidation while preserving aroma, color and flavor. The Vintage Wine list offers a broad vintage selection of top South African producers - including some sought-after vintage wines, together with a selection of big bottles and wines from top international producers.

Our wine list has received the *Wine Spectator Best of Award of Excellence* since 2021. The Wine Spectator's wine list awards program is the world's leading awards program, honoring the world's best restaurant wine lists since 1981.

Wines marked with an asterisk (*) are stored at 13° C in our maturation cellar. Please allow 10-15 minutes for these wines to be presented at correct serving temperature. Other vintage wines are stored at our Café du Vin cellars.

Please note that although we emphasize the importance of provenance, the quality of wines older than the 2000 vintage cannot be guaranteed, and these wines must be accepted as purchased by the customer before the bottle is opened.

We wish you many memorable wine moments at CAFÉ DU VIN!

Happy Imbibing!
